Dear Ms. Rathke,

In an email dated April 11, 2019, you requested, “documents and other records pertaining to the investigation of alleged threats of harassment of former Rep. Kiah Morris.” As you may be aware, some records related to this investigation and covered by your request are already public. We will produce these records for you in hard copy or electronically, but you may wish to access them directly via the website of the Attorney General’s Office. Please direct your attention to “Open Government,” “2019” and “01/18/2019” or “VPR”.

As we view your request as broader than prior requests, pursuant to 1 V.S.A. § 318(a)(5)(B) the Attorney General’s Office will need to invoke its right to additional time to respond due to the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which you demand.

We will further respond within ten business days of receipt of your request. Thank you.

Sincerely,
/s/
Ultan Doyle
Assistant Attorney General
